

Mission and Ministry of Peace Lutheran Preschool

The Mission of Peace Lutheran Preschool is to make disciples of Christ through the teaching of God's Word, and sharing the Good News of God's love so that all people may live in peace with God through Christ as we encourage and serve each other by

- guiding children into God's grace
- nurturing children in the spirit of Christian love.
- assisting parents with the growth and development of their children through a wide variety of developmentally appropriate learning experiences.
- reaching out to families by inviting their participation in preschool, worship and social activities.
