March 17pm, 2020

Dear Peace People & Friends,

Thank your for checking here for updates on our Coronavirus response.

In keeping with President Trump's "Slow the Spread" 15-day campaign, all Peace gatherings are suspended until further notice.

Please check back with us, as the situation is fluid and could change daily. Our Peace Lutheran Church Council recently met online (on 3/17) to decide, among other things, to suspend any physically-attended worship services or meetings of any kind.

That said, we give thanks to God who has seen fit in our day to provide providentially some technological "workarounds" that in the light of history are simply unprecedented. Lord willing, we'll make available online this Sunday's worship video and bulletin on our website. Midweek [audio messages](#) will also be posted for your in-home edification and sharing. **This encouraging Word we hope you will spread around (digitally).**

Please, also, pray for our leaders in both church and state, and for all to stay healthy.

We invite you to view this prepared [VIDEO](#) from the president of our Lutheran Church-Missouri Synod and the additional resources generously provided there, too.

As you wash your hands more often than usual, remember your baptism. In Christ, you are clean and forgiven - God's child whom He will never leave or forsake. You have God's promise on that! (Hebrews 13:5)

Peace Lutheran Church

"...proclaiming peace through Christ" - Acts 10:36
