What Did You Do In School Today?

It is difficult for young children to recall and describe what they did during the program day. Children are active and busy for the entire time, but they sometimes lack the words to tell others about their activities—or by the time you pick them up, they have moved on to other things.

Parents, of course, want to know about their child's day. Here are a few ideas to keep in mind when asking your child about his or her activities.

- Keep informed of the class's planned events so you can ask specific questions. For example, "Did you get to go on the nature walk today, or was it too rainy?"
- With most children, avoid general questions like "What happened at school today?"
- Avoid questions that produce one-word answers.
- Ask specific questions such as
 - "What was in the art center today?"
 - "Tell me about this drawing in your backpack."
 - "What story did you hear today? Tell me what happened."
 - "Who did you play with today? What games did you play?"

Sometimes telling the child a little something about your own day starts the ball rolling. The child may get the idea of sharing news and feelings about his or her day.

VALENTINE PARTIES

On February 13 and 14 the children will be participating in a special Valentine celebration within their classrooms. As a part of the festivities each child is asked to bring enough Valentines for each child in their class. Help your child sign his name to each card

DO NOT PUT CLASSMATES NAMES ON THE ENVELOPES. Names on envelopes makes delivery very confusing and also time consuming for both children and teachers. Each child will make a Valentine bag at school and children will take turns dropping one Valentine into each bag. Goody Bags are okay for your child to bring for their classmates, but please do not enclose any small items that may be a choking hazard for children or babies. Many of our families have infants at home. There will be a sign-up sheet in your child's classroom, if you are interested in bringing treats or paper goods for your child's party. Please have the children wear their preschool t-shirts.

We will schedule conferences before school the week of February 6-10th.
